My name _____

will be rewarded with _____

when I get 10 reward points for _____

Instructions for use:

- 1) Print out the Reward Chart and cut out along the pink dotted lines.
- 2) Decide what equals one reward point - for example: each journey, each day, each hour, etc.
- 3) Complete the reward information at the bottom, so your child can see what they will get as a reward. (If they are a non-reader, glue or draw a picture on)
- 4) Have a chat with your child about their unsafe actions, the consequences of these and the purpose of the reward chart.
- 5) Hang the reward chart in the car where they can see it.
- 6) Keep stickers or coloured pens in the car and allow your child to mark off their own reward points.
(Top tip: to save printing, laminate the reward chart for re-use.)
